

Christoula Constantinidou

TEAM Coordinator

Christoula Constantinidou was born in Famagusta.

She graduated from Lanitio Lyceum and she then completed her Secretarial Studies achieving the diploma of the Higher Degree in Accounting.

Since 2002 she is the manager of Laspos Orthodontic Center. Also since 2002 she is the Treatment/TEAM Coordinator of the Cyprus Center for Cleft and Facial Deformities MEDICLEFT

Christoula Constantinidou, as Treatment Coordinator of the MEDICLEFT TEAM, cares for:

The correct observance of the TEAM's program.

The briefing of the TEAM's scientists for the program of every meeting.

The preparation and sending of the patients program and their medical records to the scientists of the TEAM.

The prompt information of the patients for their appointments.

The keeping of medical records during the meetings (twice every two months).

The coordination of the TEAM and patients.

In March 2013 she got the position of the Secretary of the Cyprus Association of individuals with Clefts & Craniofacial Deformities "Chrysallida" which she keeps until today.

Finally, she had the position of the Secretary of the Cyprus Orthodontic Society (2006-2008).
